A HEALTHY MIND IN A HEALTHY BODY AND A SUPERB INSTITUTION THAT HAD LASTED OVER 100 YEARS - HOW IT DIED

- **The TCRUFC club with traditional kit from 1888 stayed the same till 2000.** For over 100 years
- The Neville's court location was retained although different spots were used.
- The arrival of **women** in 1978 in Trinity and across the university reduced the number of available players and the health of the game.
- During the Noughties photo gap a **new kit appeared in 2009** which then changed many times.
- **Matches ceased during the 2020 Covid pandemic.** No play that season. The number of league divisions dwindled.
- The merger with Christs in 2019 and then adding Trinity Hall, **ended the existence of Trinity College RUFC**

FOOTBALL PLATE WINNERS

Trinity College Rugby-Soccer Team
1980

This is the infamous (Honest Mark) Jenner's All Stars 2nd XV.

I played for the seconds, Trin Trem and v occasionally the First XV between 1983-1987. I was also one of the organising committee for the TCRUFC Tour to the USA in 1987 which played 6 games in 16 days (winning all). I have a team photo from that tour somewhere. I also have the Tour Programme and Tour Jumper!
